

● THE CONVERGENCE OF MASTERY & TRUST

— SPONSORSHIP PROSPECTUS

CISOS SUMMIT 2027

Cartagena de Indias, Colombia

Direct Access to Enterprise CISOs and Cybersecurity Leaders

SECTION 01 — CHATHAM HOUSE ENVIRONMENT

Welcome to a Strategic Alliance

CISOS SUMMIT is a private and exclusive gathering of cybersecurity leaders from the region's most influential enterprise organizations. The environment is focused, intimate, and intensely collaborative.

Our purpose is to cultivate a secure space where enterprise CISOs share authentic experiences, defensive architectures, and strategic perspectives on current and emerging digital security mandates.

• FOR STRATEGIC SPONSORS, THIS ASSEMBLY OFFERS A DECISIVE OPPORTUNITY TO:

01

Direct C-Suite Connection

Engage face-to-face with enterprise CISOs and key budgetary decision-makers without exhibition barriers or commercial noise.

02

Position Solutions at the Board Level

Position your technology solutions within a trusted, executive-caliber environment where regional security roadmaps are shaped.

03

Cultivate Enduring Alliances

Strengthen high-trust, long-term strategic relationships across the Latin American cybersecurity ecosystem.

PLENARY ASSEMBLY • GRAND BALLROOM

❖ CHATHAM HOUSE RULE ENFORCED

Absolute confidentiality creates candid peer exchange. Zero press, zero recordings, 100% operational substance.

SECTION 02 ————— OPERATIONAL REALITIES

A Platform for Strategic Leadership & Impact

This is an exclusive executive gathering where every interaction matters and every conversation carries weight. Over two intensive days, CISOs participate in collaborative roundtables, threat reviews, strategic sessions, and bilateral exchanges.

For your company, this event represents a rare opportunity to be present where multi-million dollar architecture decisions are evaluated and where relationships are built with true purpose.

CORE EVENT OBJECTIVES

01 // BENCHMARKING

Benchmarking & Operational Realities

Connect enterprise CISOs to share unfiltered experiences, defensive best practices, and lessons learned from live incident responses.

02 // BOARD-LEVEL RISK

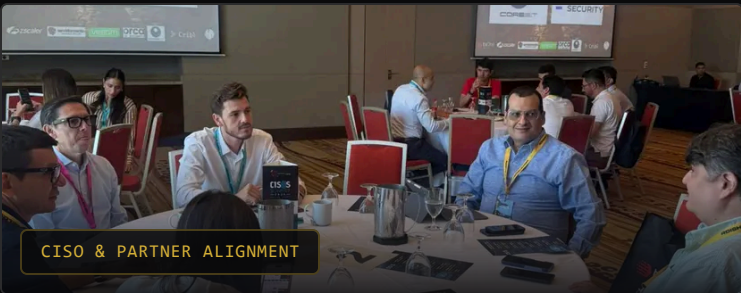

Strategic Enterprise Dialogue

Facilitate board-level conversations on risk quantification, emerging attack vectors, critical infrastructure security, and AI transformation.

03 // ALLIANCE BUILDING

High-Value Peer & Partner Integration

Create dedicated space for genuine professional alignment between CISOs and selected solution providers who bring proven value to the ecosystem.

STRICTLY LIMITED TO 5 ELITE PARTNERS

Strategic Alliance Sponsorship

“This sponsorship is a strategic presence. Real conversations. Long-term relationships. Connections with measurable enterprise outcomes.”

Being an Alliance Sponsor means sitting at the center of the table where enterprise cybersecurity priorities, strategies, and vendor selections are forged.

SECTION 04

PROVEN ENTERPRISE IMPACT

Why Sponsor CISOS Summit

Being a sponsor of CISOS SUMMIT means being present where real cybersecurity decisions are made in Latin America. Our model eliminates trade-fair waste to deliver high-signal engagement.

Direct Exposure to Decision Makers01

Close and meaningful interaction with CISOs from leading enterprises, with zero intermediaries and zero commercial distraction.

Brand Positioning in an Elite Environment02

Your brand is positioned at the pinnacle of regional cybersecurity, associated with vision, integrity, and operational mastery.

Relationship Building Leading to Contracts03

Not superficial booth scans, but substantive dialogues that build executive trust, open enterprise doors, and accelerate commercial partnerships.

A Seat at the Table, Not Just a Logo04

The event is engineered so each sponsor actively participates in the conversation, sharing subject-matter expertise instead of merely spectating.
